

Sustainable Waste Solutions' Business Development Manager Joins Greater Lehigh Valley Chamber Energy & Environmental Subcommittee

SOUDERTON, PA (December 1, 2010)—Dieter Scheel, Business Development Manager of Sustainable Waste Solutions (SWS), a landfill-free waste and recycling company, recently joined the Greater Lehigh Valley Chamber of Commerce Energy & Environmental Subcommittee. The Subcommittee's mission is to develop, coordinate, and advance long-term business-sensitive strategies for sustainable energy efficiency initiatives, environmental protection and infrastructure development that will improve the business climate and quality of life for business owners, employees and their families in Lehigh Valley.

Frank Facchiano, Executive Vice President, Greater Lehigh Valley Chamber of Commerce, stated, "We are excited to have Dieter join our Subcommittee. He will add valuable insight and contribution to the group as his company is at the forefront of sustainability strategies. We are the largest Chamber in Pennsylvania and New Jersey, and the fastest growing in the nation. Our Active members underscore the vitality of the organization."

About Sustainable Waste Solutions

Sustainable Waste Solutions, LLC, a locally owned and operated recycling and solid waste services company, is the only landfill-free waste company in our region. Its focus is economic and environmental sustainability. Headquartered in Montgomery County, Pennsylvania, Sustainable Waste Solutions serves its clients throughout Southeastern Pennsylvania, Lehigh Valley and Delaware.
